

Sask Lotteries is the main fundraiser for more than 12,000 sport, culture and recreation groups across the province.

If your organization is one of them, you're asked to recognize and promote the Sask Lotteries fundraiser whenever possible and appropriate. Events, programs, speeches, websites and social media are all effective places to remind your community about the positive impact of the lottery-funded sport, culture and recreation system.

The following materials are available to eligible organizations at no cost.
