SERVICES MANUAL

INTRODUCTION

Welcome to the Admin Centre for Sport, Culture and Recreation. The purpose of the Centres is to provide a professional business support system to non-profit organizations so they may effectively carry out their programs at the lowest possible cost. The Centres operate on the premise that users will equitably share all services. Services are available to all non-profit sport, culture and recreation groups. Other non-profit groups may apply for customer access and will be assessed on an individual basis.

The Admin Centre Committee reserves the right to change and make exceptions to policies governing the Centres and the services.

Direct all questions to the Administration Manager,
Curtis Markewich at 306.780.9311.

The Centres are partly dependent upon the Sask Lotteries Trust Fund for Sport, Culture and Recreation for financial support. The balance of funds are derived from revenue generated by charges for rent and services.

We are always open to new ideas and look forward to your comments on ways to improve our services. Top quality customer service is our goal.

An electronic copy of this manual, as well as a printable application form and pre-authorized debit form is available at: sasksport.ca/member-services/admin-centre-services.

The Admin Centre for Sport, Culture and Recreation was established to provide services to non-profit organizations in sport, culture and recreation. Like most service organizations, the Admin Centre was established based on a need. The cost of administrative services was seriously hampering the growth of sport, culture and recreation at the provincial level. To ensure continued growth, a group of dedicated volunteers established Saskatchewan Sports and Recreation Unlimited in 1969. Three associations were charter members: The High Schools Athletic Association, Saskatchewan Parks and Recreation Association and the Saskatchewan Amateur Hockey Association.

The organization became known as the Administration Centre for Sport, Culture and Recreation in 1979. On April 1, 1989, the Centres became a subsidiary of Sask Sport and the company was renamed the Administration Centres for Sport, Culture and Recreation (1989) Inc. (“the **Admin Centre**”). The Centres have grown to house over 70 organizations.

The Centres are managed by a committee composed of:

- Two representatives from each of the three global organizations (SaskCulture, Sask Sport and Saskatchewan Parks and Recreation Association)
- One resident representative from each of the buildings operated by the Admin Centre.

Four buildings in Regina provide a total of over 35,000 square feet of space. Saskatoon’s John V. Remai Centre serves the northern area of the province with 18,000 square feet of space.

Eligible groups can access services either on a cash basis or by setting up a billing account. Groups who wish to buy on a cash basis must pay at the time the service is provided.

Procedure

Eligible groups can apply to be a billed client of the Admin Centre by filling out an application form (available from Accounts Receivable or [online](#)). Once approved, a billing account number is assigned to each client. Bills are prepared from the Regina office on a monthly basis and include all charges up to the 27th of the month. Bills are in the mail by the 6th of the following month and are due on the 30th. All service charges are accompanied by the appropriate back-up documentation (Ex. courier waybills, etc.).

The fiscal year end of the corporation is March 31. All users are requested to have their accounts up-to-date at that time.

Contact

Taunny Bridge tbridge@sasksport.ca 306.780.9334

Cost

An annual fee of \$30 per billing number is charged in April and covers access to the services from April until March of the following year. Associations may request additional billing accounts at a cost of \$30 each. Associations who register after September 30 will only be charged \$15 for that fiscal year.

Interest charges of one and a half per cent per month will be added monthly on any unpaid balance. In order to avoid interest charges, payments must be received by Accounting no later than the 30th.

Customers can pay their bill monthly by Preauthorized Payment directly from their bank accounts. Applications are available from Accounting or [online](#).

The Admin Centre bookkeeping services include a wide range of available options, including:

- Issuing cheques
- Preparing invoices
- Preparing journal entries
- Performing bank reconciliations
- Filing tax, charity, GST and/or PST returns
- Preparing for yearend audit
- Entering source document information provided by the client (accounts receivable/accounts payable)
- Financial statements (prepared according to the client's instructions)

Procedure

The accounting service is available to all provincial organizations who receive funding from the Sask Lotteries Trust Fund. To access any accounting services please contact Taralee Sentes at 306.780.9310 or tsentes@sasksport.ca.

The Admin Centre uses the accounting package ACCPAC. There is no charge for set up or conversion of existing data into the system. Charges only apply for processing of new transactions.

Payables: Payments are processed and cheques are printed as directed by the client. The approval processes that are in place for each organization are followed prior to payments being made. The client retains responsibility for requesting payments and coding them to the correct account. Payables are processed as and when directed by the client. Most clients issue cheques twice per month, with occasional rush cheques required between regular cheque runs. The client retains responsibility for signing cheques. Some clients write their own cheques and sign them and send information at the end of the month, to be keyed in ACCPAC.

Receivables: Invoices are prepared to customers as directed by the client. For large volume invoicing for memberships or banquets, invoicing information can be imported from an excel file. Deposits are recorded in the accounting system, applied to receivables or coded to revenue accounts as directed by the client.

Bank reconciliations are done at month end (and reconciliation of all other balance sheet accounts) and financial statements are prepared in the format required by the client. Supplemental information is also provided based on the clients need (list of cheques written, general ledger transaction reports, etc). Reporting is done according to the client's timetable.

GST and/or PST returns are filed monthly, quarterly or annually as required. Tax and Charity returns are filed annually once audit is complete.

Financial statements and all working papers required by external auditors are prepared at year-end. Financial information for grant follow-up reporting can be prepared and submitted as requested.

The service is based out of the Regina and Saskatoon offices but can be provided to organizations across the province.
